

I used Mr. Bolt's services on several occasions during a recently completed house hunting process. As a direct result of his thorough efforts and detailed reports, my wife and I are the happy owners of a home in Warsaw.

He uncovered defects during inspections of potential homes that would have cost us tens of thousands of dollars in repair costs. His well organized, detailed reports, supported by crisp photos indexed by inspection topic, were easily understood. Further, he provided us with a prioritized list of minor defects in the house that we bought that I have been able to use to schedule repairs, updates and upgrades.

Mr. Bolt is a consummate professional who uses his experience and training to provide an exceptional quality inspection product. The value of Mr. Bolt's work amply justifies his fee.
